Eve Hi Jim, how have you been? I hope things have been going well for you since we last spoke.

Jim Hi Eve, I am feeling ok these days.

Eve That's good to hear, Jim. Is there anything specific that's been helping you feel better lately?

Jim Last time I told you my girlfriend is angry.

Eve I can understand why that would be disappointing, Jim. Did Alex give a reason for not being able to make it? It's possible that he had something else come up or maybe he just wasn't able to make it for some reason.

Jim I had an argument with him last time, he was partying till too late and the noise really affecting me.

Eve I see, Jim. That does sound like a difficult situation. Have you tried talking to Alex about how his behavior is affecting you? Maybe there's a way for the two of you to come to a compromise so that both of you can enjoy your time together without causing each other distress.

Jim I was trying to talk to him but I didn't manage to find a good time.

Eve Communication can be challenging, especially when we're dealing with difficult or uncomfortable issues. It's important to find a time and place where both parties can listen and speak openly and calmly. Maybe you can schedule a time to meet with him, explain how you feel and why his behavior affected you, and work together to come up with a solution that works for both of you.
